Mr. S. Mollenhaur,
Warburton Ranges Mission,
via LEONORA, W.A.

Dear Mr. Mollenhaur,

We arrived back safely on Monday night after a very successful trip. Thank you very much for all the co-operation which you and the members of your staff gave to us while we were at Warburton.

I notice on going through my accounts that, in error, we omitted to pay for 1 - 6 x 16 inner tube, and 1 large and 1 small bottle of cordial, which were booked down to us at the store, and in addition 1 bottle of turpentine which was given to us by the Sisters, from the hospital supply. If you will send me an account for these, I will see that you get a cheque immediately.

I hope that you received the two cheques from Mr. Green drawn on Mr. Scott's account, for the money which was loaned to us for the purpose of purchasing the Aboriginal sacred boards and law sticks.

Please give my kindest regards to your wife.

Yours sincerely,

R.L. KIRK.
