White House Hotel,
LEONORA, W.A.

Dear Mr. Chomley,

You may remember the pleasant evening we had at Dr. Geroe's house last August. We enjoyed ourselves so much that we are coming back again this year. Would you be able to provide accommodation for us on the nights of Sunday August 14th. We will need 2 double rooms (one with a single bed in for our daughter aged 7) and a single room - 6 people altogether, including the little girl.

I would be glad if you would confirm this booking for us.

With kind regards,

Yours sincerely,

R.L. Kirk.
