Dr R L Kirk
The John Curtin School of Medical
Research
Department of Human Biology
PO Box 334
CANBERRA CITY ACT 2601

Dear Dr Kirk

* Many thanks for the results, unfortunately I did not give you our specimen
code numbers and some of the results from Wiluna, Nos AW251 to 414 inclusive,
were not included.

Could we please have these sometime at your convenience.

We have arranged to bleed at Beagle Bay from 4-8 May.

Regards.

Yours sincerely

R A CROSS
SCIENTIFIC OFFICER-IN-CHARGE
