Dr R.A. Cross,  
Scientific Officer-in-Charge,  
Clinical Immunology Division,  
Royal Perth Hospital,  
Box X 2213, G.P.O.,  
PERTH. W.A. 6001.

Dear Bob,

I have sent a cable to Dr Bhatia in Bombay asking for some more In(a+) control cells on about the 10th April and some more anti-In(a). We will forward it to you immediately it arrives.

The results for the outstanding WA material is on its way to you under separate cover.

We will look forward to receiving the Beagle Bay material - a very interesting area.

Regards,

R. L. KIRK.
